

Jonats 4 Africa

May 2006

18,000 kms Travelled

We have finished the journey but we are not home yet. We travelled from Vancouver Island B.C. to the east coast of New Brunswick with many stops in between. What a marvellous time we had renewing friendships and creating new ones.

Most importantly we shared of the blessing of the Lord as we have served in Zambia the last three years and of our fresh ideas for Malawi. Each church and every individual grasped the vision to carry on in Africa, helping our Christian brothers and sisters to lift Jesus high.

Building Relationships, Touching Lives

On Tuesday May the 2nd the adventure begins again, we fly from Vancouver airport to Lusaka the capital city of Zambia. We will arrive on May 4th and one week later we will drive over to Malawi and see our new home for the first time.

Please pray for:

Our work permit to come through speedily.

Tembi and Karis to travel well (those are two very long airplane rides)

For us to arrive in Zambia safely with all our luggage

For customs to pass us through with no hassles
