...we will walk in the name of our God for ever and ever. Micah 4:5

Easter Conference at Biwi church in Malawi was a huge success. We praise God for all who joined together to make this celebration of Christ possible. Over 575 people came together for three days of good food and great preaching and teaching.

## *Praise Reports*      *Prayer Requests*

At least 50 people gave their hearts to Jesus Christ this month as Wes traveled with visiting pastors from Canada.

Over 2500 Bags of Hope and teddy bears have been given out this year alone.

We have seen over 20 visitors come and stay with us since Nov. of last year. Each one has blessed our home and assisted the work in Malawi in a powerful way.

Karis' arm has healed nicely. Finally four weeks after having the cast removed she can straighten her arm  
Pastor Ephraim Mvula passed his drivers exam, way to go!!

You have been so generous to us and to the work of God in Malawi. We thank you.

We are hosting a team from Vancouver Island in June. They will be building a Feeding Center at Lumbadzi church. Pray that God would use this as a tool to bring people to a saving knowledge of Him as well as caring for the children.

We continue to visit villages and families to build relationships. Pray that we have God's favour on us as we get to know His precious people.

The women have requested Lorrie to teach on Christian marriages, witchcraft and demons. Pray for Lorrie to have God's anointing as she tackles the issues that matter to the women of Malawi.

Pray for Wes and the leadership as they prayerfully consider how to begin a sustainable bible training center.

Pray for Tembi and Karis as they finish grade two. We have an application in at a missionary school for grade three.
